

Ref: New Year Congregational Update

Dear members of Kairos Church Ministries:

We are so grateful to all of you for your faith, patience, and fortitude throughout these past years as COVID-19 has brought necessary reconsideration and restructuring of our church life.

Kairos Church Ministries continues to meet face to face bi-weekly, while paying close attention to the science and data about COVID-19. We compare notes with other churches throughout our region, and prayerfully consider the best practices for the health and safety of our congregation.

We know that everyone misses seeing one another in person. As your pastors, we feel that loss profoundly. We understand that being unable to worship in person as the body of Christ is no small thing. It is also true that we are learning new ways of being the body of Christ during this time.

We rejoice in the generosity that our congregation has exhibited in caring for one another and your giving of tithe and offerings. The words of support from all of you to one another and to our team leadership has provided both encouragement and hope.

Our online worship services continue to draw a wonderful diversity of people from a wide range of geographic locations. Other virtual ministry gatherings continue to provide rich and deeply faithful opportunities for learning and fellowship. As we enter the beginning of a new year, we are so excited for all of the new ways we will be participating in Christ's work!

## Other Exciting News

- Through the pandemic our after school 21st century program is still serving our community, while staying healthy and well during the pandemic.

As we look to the year ahead, we embrace a mindset of flexibility and grace. Plans are underway to return to a more face to face church in stages over the coming weeks. In time, we hope to open the building for smaller gatherings of a pastoral nature.

While we look forward to these developments, we also recognize that plans may change depending on fluctuating virus positivity rates, as well as state and county guidelines.

We remain committed to communicating with you on a regular basis as circumstances change and decisions are made. Our Team Leaders have been doing an outstanding job with our church communications and keeping the body together.

However, updates are needed for membership so that all members can be informed and we can provide convenient links for accessing online opportunities. To share your updated **Church Membership Verification Form**, you may find it convenient to send your new information to **[kairos.church.ministry@gmail.com](mailto:kairos.church.ministry@gmail.com)**.
